JULY 2026

HOPE, JOY, & LIGHT

As we look ahead to our upcoming **Evening of Light**, we're reminded that one light has the power to brighten countless lives. This special evening is more than a celebration—it will be an opportunity to come together, shine a light on hope, joy, and the potential within others. Together, we are creating a ripple effect of compassion that extends far beyond one evening. We hope you'll join us to celebrate, remember, and continue sharing Victoria's light with those who need it most!

FROM SUSIE'S HEART

Dear friends,

As we settle into the "dog days" of summer, my mind always drifts back to a different season of life. Summer meant dance workshops, intensives, road trips, early mornings, late nights, and watching Victoria do what she loved most. There was always another class to take, another routine to perfect, another dream to chase. Looking back, those days seemed so busy. Today, I would give anything to relive just one of them.

Not a day goes by that I don't miss my beautiful daughter. Grief changes over time, but it never leaves. Some days, the memories bring smiles. Other days, they bring tears. Most days, they bring both. I've realized that while I can no longer spend my summers cheering Victoria on from the audience, the energy that once filled those dance studios has found a new home. It now lives in Victoria's Foundation. Every program we support, every family we encourage, every event we host, and every conversation about mental health is another way to keep Victoria's light shining. I truly believe she would be proud of what her light continues to inspire.

None of this would be possible without the incredible people who walk beside us. I am especially grateful for Krista and Danielle, whose countless hours, unwavering dedication, and loving hearts have helped carry this mission forward. They give so much of themselves, and our Foundation is stronger because of them. The dog days of summer remind us to slow down, but they also remind us to cherish the moments that often feel ordinary. Those are the moments that become our most treasured memories.

Thank you for believing in Victoria's Foundation. Thank you for carrying her light into your own families, workplaces, schools, and communities. Because of your support, Victoria's story continues to offer hope, compassion, and love to others. I miss her more than words can ever express. But I also know that every act of kindness done in her name allows her light to reach someone who needs it. For that, I will be forever grateful.

With gratitude and love,

Susie Strauss Dodson
